Re: Contra Costa Unit 8 Power Project
Docket No. 00-AFC-1C
Verified Statement Attesting To Compliance with Conditions of Certification

To the California Energy Commission:

In accordance with Title 20 of the California Code of Regulations, Sections 1769(b)(2) and 1707, Pacific Gas & Electric Company ("PG&E") submits this verified statement agreeing to comply with and be bound by the decision of the California Energy Commission ("Commission") granting certification for the Contra Costa Unit 8 Power Project ("Unit 8") (the "AFC Decision").

On June 10, 2005, PG&E entered into an Asset Transfer Agreement ("ATA") with Mirant Delta, LLC and Mirant Procurement, Inc. that provided for PG&E to acquire certain assets associated with the planned development of Unit 8 ("CC8 Assets"). Closing under the ATA occurred on [date], and PG&E acquired ownership of the CC8 Assets as of that date. PG&E now intends to own, construct, use, operate and maintain Unit 8 in accordance with all requirements in the AFC Decision and all subsequent orders amending or modifying the AFC Decision, and in compliance with all applicable laws, ordinances, regulations and standards.

PG&E submits this verified statement attesting that PG&E understands the conditions of certification set forth in the AFC Decision, and agrees to comply with and be bound by those conditions, as they may be amended or modified from time to time.

I am an officer of PG&E and I hereby attest under penalty of perjury to the truth and accuracy of this statement.
